VETERAN SERVICES

Coahoma Community College is an approved institution for providing educational training for veterans, spouses, or dependents of veterans. The Assistant Director of Admissions and Records serves as the Veteran Coordinator and offers assistance in handling matters pertaining to veterans at the college. All academic, technical, and vocational programs are open to veterans or eligible persons. The accounts and permanent records of veterans and eligible persons are identifiable and available for examination by duly authorized persons including representatives of the Veterans Administration.

VETERANS ACADEMIC PROBATION AND SUSPENSION POLICIES

Students are responsible for knowing their own standing in reference to the published academic regulations, policies and standards of the college.

Probation is a means of informing a student that his/her academic record is unsatisfactory while there is still time to remedy the situation.

Any veteran student who fails to maintain a 1.5 grade point average (GPA) during any semester of attendance at Coahoma Community College will be placed on temporary academic probation. During the following semester of attendance, the student must achieve a GPA of 1.5 or be placed on academic probation. Veteran students on probation will be provided counseling upon request.

At the end of the next semester enrolled, a veteran student is removed from academic probation if he/she achieves a GPA of 2.0. Veteran students failing to achieve the mandatory 2.0 will be suspended for one semester and will be required to obtain special permission from the appropriate instructional dean in order to remain in school.

A veteran student on academic probation who attends summer school and earns an average of 2.0 in a minimum of six semester hours during any one session will be re-classified as in good academic standing.

After completing four semesters of work, the student must have and maintain a 2.0 GPA.

Students failing to achieve and maintain this average will be suspended from the college and will be re-admitted only at the discretion of the appropriate instructional dean.

If a veteran student is approved for re-admission after serving one semester of academic suspension, he/she will be readmitted on academic probation. His/her load will be a maximum of (14) semester hours for the first regular semester of attendance following the suspension.

ATTENDANCE FOR VETERANS

A record of student attendance is maintained by each instructor and all absences are recorded to determine the last date of attendance. Attendance requirements for veterans or eligible persons are the same as for regular students. (See section on *Class Attendance*).

CHANGE IN ENROLLMENT STATUS FOR VETERANS

Students receiving veterans' benefits may not drop any course or stop attending any class without prior approval of the Coordinator of Veterans Affairs (Registrar/Director of Admissions and Records) and without executing formal drop/withdrawal procedures as outlined in the College Catalog. Students who fail to comply with this regulation will be liable for repayment of any resulting overpayments.

EDUCATION AND TRAINING RECORDS FOR VETERANS

Documented evidence of all previous education and training must be provided and filed in the student's permanent record. Proper credit will be given and submitted to the Veterans Administration. The American Council on Education handbook, *Guide to the Evaluation of Education Experiences in the Armed Services*, is used for evaluating military credit where possible.

PROGRESS RECORDS FOR VETERANS

A permanent record is maintained to show academic progress. This record shows a final grade in each course for each semester, a record of withdrawal from any course, and/or record of reenrollment in any course from which there was a withdrawal.

REPORTS TO VETERANS ADMINISTRATION

Any change in status from the last certification will be reported promptly to the Veterans Administration. Reports of unsatisfactory progress, drops, withdrawals, and unscheduled interruptions will be made within the month of occurrence or immediately thereafter. In case of unsatisfactory progress, the veteran or eligible person will not be certified for further enrollment prior to approval by the Veterans Administration.
