

# UNIVERSITY PARALLEL DEGREE PROGRAMS OF STUDY

## DIVISION OF ACADEMIC AFFAIRS

The Division of Academic Affairs offers university-parallel degree programs designed to meet the needs of students who plan to transfer to four-year institutions of higher learning to pursue a baccalaureate or professional degree.

The Articulation Agreement between the Mississippi Board of Institutions of Higher Learning and the Mississippi State Board of Community and Junior Colleges provides for a smooth transition of student course work between the state community colleges and state universities. Each university will accept the courses listed in the university-parallel degree programs without loss of credit toward the conclusion of the four-year degree.

The general education core for university parallel degree programs follows:

<b>University Parallel Degree Program / Associate of Arts GENERAL EDUCATION CORE REQUIREMENTS</b>	
English Composition I English Composition II	6 credit hours
Western Civilization I and II or American History I and II	6 credit hours*
World Literature or American Literature	3 credit hours**
Laboratory Science I and II (lecture and lab)	8 credit hours***
Art Appreciation or Music Appreciation	3 credit hours**
College Algebra (or higher)	3 credit hours***
Public Speaking	3 credit hours
Computer Concepts or Computer Applications	3 credit hours
<b>TOTAL:</b>	<b>35 credit hours</b>
* The six (6) credit hours of Western Civilization or American History meet the accreditation requirement for the general core to include at least one course from the social sciences. ** The three (3) credit hours of World Literature or American Literature and three (3) credit hours of Art Appreciation or Music Appreciation meet the accreditation requirement for the general core to include at least one course from the humanities/fine arts. *** The eight (8) credit hours of laboratory Science and the three (3) credit hours of College Algebra meet the accreditation requirement to include at least one course from the natural sciences/mathematics.	

Coahoma Community College is committed to excellence in teaching and learning. As reflected in its mission statement, the institution provides accessible, affordable, diverse, and quality educational opportunities and services that foster a nurturing teaching and learning environment, promotes intellectual and work readiness skills, supports personal and professional growth, and prepares students to enter the job market or transfer to a college or university.

In order to meet its mission, Coahoma Community College measures the extent students have attained college-level general education competencies for university parallel programs. The institution evaluates students' attainment of general education competencies by randomly selecting samples of students' work from targeted courses and by administering the Collegiate Assessment of Academic Proficiency to graduates. The institution uses assessment results to enhance and improve its university parallel degree programs.

The college-level general education competencies for university-parallel programs include the following:

- **Written Communication:** Upon completion of a university-parallel program, students will be able to write a clear, well organized composition and research paper using appropriate documentation.
- **Oral Communication:** Upon completion of a university-parallel program, students will be able to construct and deliver a clear, well organized oral presentation.
- **Technology Usage:** Upon completion of a university-parallel program, students will be able to identify and use appropriate computer applications.
- **Problem Solving:** Upon completion of a university-parallel program, students will be able to use mathematics and science reasoning to solve problems.
- **Historical and Cultural Awareness:** Upon completion of a university-parallel program students will be able to analyze how history and culture affect society.
- **Critical Thinking:** Upon completion of a university-parallel program students will be able to demonstrate the ability to think critically about a problem and formulate possible conclusions and/or solutions as appropriate.

# ELEMENTARY EDUCATION

(See previous page for program of study.)

## ELEMENTARY EDUCATION ELECTIVES & ENDORSEMENT AREAS:

(Choose three courses or 9 hours)

EDU 1613 Foundation in Education

EPY 2533 Human Growth and Development

## ENDORSEMENT AREAS

For Mississippi K-6 Licensure in elementary education, the Mississippi Department of Education requires that candidates have completed at least 18 hours, in each of two endorsement areas, with no grade lower than a C. In addition, some IHL universities also offer elementary education programs, K-6 with 2 add on endorsements. In these programs, candidates earn an additional 3 hours, or 21 hours in each of the two endorsement areas, with no grade lower than a C. These programs prepare the students for Mississippi

K-6 licensure, with add on licenses for grades 7-12 in the two endorsement areas. English, General Science, Math, and Social Studies are endorsement areas accepted by all eight IHL universities.

Acceptable transfer courses for these endorsement areas are as follows:

### Endorsement Area - English

ENG 2223 American Literature I

ENG 2233 American Literature II

### Endorsement Area - Social Studies

ECO 2113 Principles of Macroeconomics

ECO 2123 Principles of Microeconomics

## SPECIAL EDUCATION ELECTIVES & ENDORSEMENT AREAS:

(Choose six courses or 6 hours)

EDU 1613 Foundation in Education

EPY 2533 Human Growth and Development

## ENDORSEMENT AREAS

For Mississippi K-6 Licensure in elementary education, the Mississippi Department of Education requires that candidates have completed at least 18 hours, in each of two endorsement areas, with no grade lower than a C. In addition, some IHL universities also offer elementary education programs, K-6 with 2 add on endorsements. In these programs, candidates earn an additional 3 hours, or 21 hours in each of the two endorsement areas, with no grade lower than a C. These programs prepare the students for Mississippi

K-6 licensure, with add on licenses for grades 7-12 in the two endorsement areas. English, General Science, Math, and Social Studies are endorsement areas accepted by all eight IHL universities.

Acceptable transfer courses for these endorsement areas are as follows:
